Dear Chief Superintendent Johnson,

Domestic Homicide Review Report – BDHR2014/15-02

Thank you for your letter of 5 April responding to feedback provided by the Quality Assurance Panel on the Domestic Homicide Review (DHR) that was considered at the meeting on 27 September 2016.

I am grateful to you for carefully considering the issues raised by the Panel and for providing further clarification on the comments they made. In particular, the Panel was grateful for the additional information on the reasons for not undertaking a Serious Case Review. The Panel was also grateful for clearly setting out why it was not appropriate to interview the children.

The Panel is satisfied that all matters have now been addressed in the revised report. I am pleased to inform you that the Panel is content for the report to be published. I would be grateful if you could email us at: DHREnquiries@homeoffice.gsi.gov.uk and provide us with the URL to the report when it is published.

Thank you again for your participation in the process and for the considerable work that you have put into the report in this case.

Yours sincerely

Christian Papaleontiou
Chair of the Home Office DHR Quality Assurance Panel
